

Volunteer Form 2019

To run a swim team and a swim meet takes lots of volunteers. Each home meet needs a minimum of 27 helpers. Please indicate which jobs you would like to help with this year. We can train you for any of the jobs!

We will need a \$50.00 deposit, made payable to The Fox Hill Club, from each family. This check will be given back or torn up as soon as your family works a minimum of two swim meets (although we may ask you to work more if available). If your family does not work at least two meets, then the check will be cashed at the end of the dual meet season. We always use this money to purchase something the swim team needs.

- Starter (must attend a training session on June 4 @ 6:00 pm at The Meadows Club)
